

Butchery Weekend Assistant

Cobbs Farm Co

The Group

We aim to inspire, provide and produce the best of local and beyond. We are passionate about our food, coffee and great customer service. Established in 2007, the Group now operates 7 farm shops with a combined turnover of nearly £8m. Our shops offer easy access to; fresh local produce and the best staple and culinary delights. Our flagship stores have a restaurant / café and Cobbs Farm Shop has its own production kitchen, which provides freshly made produce for the rest of our sites. The Group continues to grow both at its established shops and with new shop openings, centred in South East England within the next few years.

The Job

To help with the running of our butchery counter on the busiest days of our week. You will be a key part of ensuring customers are served efficiently, promptly and with a smile. You will be trained in how to keep our counter looking full and fresh at all times and keep the 'ready to go' offer fully stocked. You will also be expected to regularly help clean fridges and keep the place tidy during a shift.
